

## KOS CLIMATE

All year round sunshine gives the island, an average, temperature, of 25° C while the summer on Kos can become tropical, with temperatures higher than 30° C. On the island full of palm trees and other exotic vegetation, lying on the warm sand, under the sun seems to be the only choice...Enjoy the semi-tropical climate of Kos, feel the sensation of sun on your skin!!!

	May	June	July	August	<u>September</u>	October
